**YOUR SOURCE FOR DAILY RENEWAL**

# AgelessXtra®

## Benefits Your Body Can Feel!

### Energy\*

With a variety of well established super nutrients, your body can drive maximum energy production. AgelessXtra® incorporates key energy drivers including Vitamin B3 and P5P (the activated form of vitamin B6), Ornithine alpha-ketoglutarate, green tea, and Cordyceps sinensis, a mushroom commonly used for its reputed ability to improve aerobic capacity and reduce fatigue.\*

### Mental Clarity and Focus\*

Antioxidant packed to guard from toxins, AgelessXtra® promotes clearer minds that allow you to live - now. Berries are not just beautiful, sweet tasting fruits; they are also powerhouses of nutrition, containing vitamins, minerals, and compounds that have a positive impact on brain function, including your ability to think clearly. AgelessXtra® also includes polyphenols, currently under intense research for their ability to reduce cell damage.\*

### Stress Relief\*

AgelessXtra® incorporates natural compounds found in plants because of their ability to relieve stress. Serenix™, a proprietary natural extract (derived from young corn leaves) and rhodiola, an herb widely used in traditional Tibetan medicine, have enormous potential as aids in endurance to improve efficiency of physical and mental work.\*

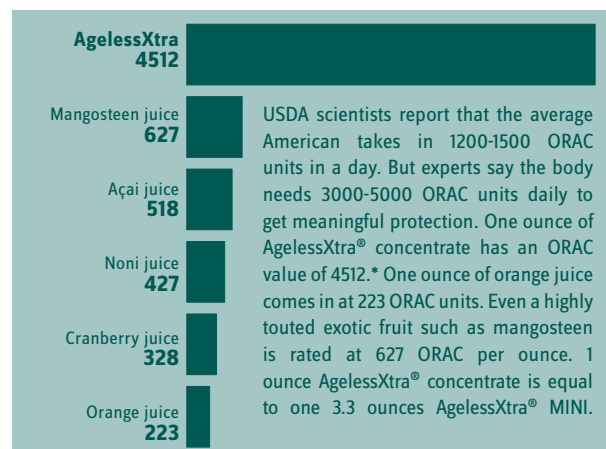

### Joint Comfort and Flexibility\*

Enjoy the ability to move freely without discomfort, stiffness, and soreness. As a true full spectrum cell renewal formula, AgelessXtra® includes the award winning proprietary compound, Protectin™. Protectin™ is derived from Scutellaria baicalensis and Acacia catechu, natural herbs used over 3000 years in traditional Chinese medicine to promote joint comfort and flexibility.\*

### Rating AgelessXtra with ORAC

There's a way to test how well a food or nutrient protects against cell damage. It's called ORAC- Oxygen Radical Absorbance Capacity. The higher the ORAC value, the greater the antioxidant power. AgelessXtra® has one of the highest ORAC ratings of the popular nutritional supplements tested.

#### ORAC Score Comparison Per Fluid Ounce

\* Tests conducted by a third party, Brunswick Laboratories, Wareham, Massachusetts.

## Supplement Facts

Serving Size 1 fl. oz. concentrate or  
3.3 oz (one bottle) ready-to-drink
